Dear Parent/Guardian,

Date October 16, 2018

Recently it has been brought to my attention that changes have been made concerning the Chickasaw Honor Club Program. As you probably know, this program rewards Chickasaw Students for making good grades and meeting the guidelines set forth for the program by awarding them Wal-Mart gift cards. Students may be enrolled in the Chickasaw Honor Club in two different ways. One way is by going online at <https://www.chickasaw.net/Services/Chickasaw-Honor-Club.aspx> and filling out the application there. The second way is to fill out a paper application for "individual application" and return it to the Chickasaw Nation for enrollment.

The 2018-2019 school year will see some changes with the Honor Club. The Chickasaw Nation has switched to a new database to assist Chickasaw citizens and to make the application easier. School districts, such as Latta, will no longer be able to access the information on students who are enrolled in the Honor Club program. This will require parents of the Chickasaw Honor Club students to enroll their student and to log-in each 9 weeks to claim their child's award. Once the award has been claimed online, the student's gift card will be mailed to the address you put on the application. You will be required to submit a progress report or report card each 9 weeks to the Chickasaw Nation Honor Program in order for your student to receive the award. This can be done by mail or in person. This new process is effective immediately.

If you have any questions or concerns please call the Chickasaw Honor Program at 580-421-7711 or go to <https://www.chickasaw.net/Services/Chickasaw-Honor-Club.aspx>.

Thank you,
