

LATTA SCHOOL

13925 County Road 1560 • Ada, OK 74820-0804

July 22, 2020

Dear Parents and Patrons of Latta School:

School will soon be starting and we want to make you aware of one change for the coming year that may impact your family. The LEADS after-school program will not be in operation at the start of the school year. The decision was made to temporarily suspend the LEADS program in order to give Latta School the best possible opportunity to successfully begin the new academic school year.

We are hopeful that once we have had a safe and successful start to in-person school, we will be able to reimplement the program. We realize that this decision may create difficulties for some families, but we believe this will help us to ensure the safest possible environment for in-person school and the best learning opportunities for our students.

Respectfully,

A handwritten signature in black ink, appearing to read 'Cliff Johnson', with a long horizontal flourish extending to the right.

Cliff Johnson
Superintendent
