

# LATTA SCHOOL

---

13925 County Road 1560 • Ada, OK 74820-0804

October 18, 2020

Dear Latta Families and Staff,

Latta School has learned that two staff members have tested positive for COVID-19. One staff member is a high school teacher and the other is a support worker. Both staff members are currently in self-quarantine. Due to federal health privacy laws, information regarding the staff members' identity cannot be released. Please respect the staff members' privacy during this difficult time.

Upon learning the news, Latta School contacted the Pontotoc County Health Department for their guidance. As of right now it appears that no other staff members or students have been impacted by this occurrence and it will not be necessary for other staff or students to miss school.

The Centers for Disease Control and Prevention (CDC) recommends contacting your doctor if you believe you have been exposed to COVID-19 and develop a fever, loss of the sense of taste or smell and other symptoms, such as coughing or difficulty breathing. More information can be found at <https://www.ok.gov/health/>. In addition, please take social distancing seriously; avoid crowds, and wear a face covering when in public.

We will continue to provide updates as needed. You can access all of the district's related communication by visiting our website at [www.latta.k12.ok.us](http://www.latta.k12.ok.us), on Facebook or on Instagram. Questions can be sent to Stan Cochran, High School Principal at 580-332-3300 x-300.

Thank you for your continued support. By working together, we will get through these challenging times and provide our students with the safest and best opportunity for an education.

Sincerely,

A handwritten signature in black ink, appearing to read 'Cliff Johnson', with a long, sweeping underline that extends to the right.

Cliff Johnson  
Superintendent
