

Latta Student Directory Information

Latta Public Schools proposes to designate the following personally identifiable information contained in a student's education records as "directory information" and it will disclose that information without prior written consent.

1. The student's name and address
2. The name of the student's parents
3. The student's photograph and class designation (Grade enrolled)
4. The student's extra-curricular participation
5. The student's achievement awards/honors
6. The student's height/weight if a member of an athletic team

After the parent or eligible student has been notified, he or she will have two weeks to advise the school district in writing (a letter to the superintendent's office) of any or all of the items they refuse to permit the district to designate as directory information about the student.
